

How safe are the products you use for your ***baby's sleep area?*** Shouldn't they be the safest items in the house?

Contact CPSC's ***Community Outreach Resource (COR) Team*** for information about cribs, play yards, strollers and other baby-related products that can make your baby's sleep area safer.

Awareness is vital to creating a ***Safe to Sleep®*** environment. With your help, we can make every community safer.
